Kanalas Éva és Fábri Géza – Várj madárka (Túl a vízen)

Traditional Hungarian folk song from the Moldva region of Romania. This territory has never been part of Hungary over its 1000-year history.

**Blue-violet Hungarian Pattern (Kiskunsag, Hungary):**

Embroidered pattern does not retain its original color scheme, and only the top portion of pattern was appropriated. My version of the embroidered pattern is in blue-violet which is a mixture of the colors found in the appropriated textile.

**Off-white Hungarian Pattern (Transylvania, Romania):**
